Cuvée SAINT-AMOUR « Clos du Chapitre »

This wine comes from a singular parcel called "**Le Clos du Chapitre**", which sits on a plateau at the east of the **Saint-Amour** appellation, with a stoney terroir of ancient alluvium.

The vineyard is certified organic. The vines have an average age of 50 years, and are situated at an altitude of 260 meters.

The grapes were vinified in concrete tanks and the wine was aged in tank for 8 months.

The grapes are grown by the **Frères Chardingny**.

Harvested and vinified by us, this wine is created in keeping with our established methods and philosophy.

- Hand-harvested with pierced 20kg cases
- Cold whole-bunch vatting at 7-8°C
- Carbonic maceration
- Indigenous yeasts
- No SO2 added during the vinification or ageing
- Neither fined, nor filtered
- Little (10mg/l) or no SO2 added during blending

The SARL Famille Dutraive was created in 2016 in response to extreme hail damage to Domaine de la Grand'Cour. The grapes are selected from parcels cultivated with an organic philosophy, whether they are certified or not. The wines are made in the same manner as those from the domain, with a focus on single-parcel vinification, with no oenological inputs.
